

@ CIRCA '21 WEDNESDAY, FEBRUARY 13, 2019

Set in New York City at the turn of the century, Newsies is the rousing tale of Jack Kelly, a charismatic newsboy and leader of a ragged band of teenaged “newsies,” who dreams only of a better life far from the hardship of the streets. But when publishing titans Joseph Pulitzer and William Randolph Hearst raise distribution prices at the newsboys’ expense, Jack finds a cause to fight for and rallies newsies from across the city to strike for what’s right.

Timely and fresh, the fictionalized adaptation of Newsies addresses age-old themes of social injustice, exploitative labor practices and David-versus-Goliath struggles, as the young learn to harness their power against a corrupt establishment.
